

Cynthia Pace, Ph.D., CPF

“The Leadership Guru”

Dr. Cynthia Pace is a keynote speaker; and a certified professional facilitator. She leads organizations, coaches executives managers and supervisors.

As a leadership guru, she helps individuals and organizations “Experience Their Greatness” by identifying needed leadership behaviors that produce successful results. Dr. Pace includes various principles and practices in her work with clients, assisting them in discovering their gifts and talents.

Unlike most, PACEMAKER, offers the client the opportunity to experience real time leadership, which is *memor-able*, *penetrat-able*, and *remark-able*. She is internationally known for her dynamic presentations and on-time project management. She “tells it like it is”. Her clients describe her as energizing, fun filled, and enlightened.

PACEMAKER is the first choice for organization and individuals that require the maximum return on their investment.
